# INDEX TO VOLUME 45, 1961

## AUTHOR INDEX

PAGE

**Abrams, D.**: Mixed glaucoma ... ... ... ... ... ... ... ... ... 503
——— **and Wybar, K.**: Early appearances of an open retinal hole ... ... ... ... 818
**Agarwal, K. C.**: *See* Grover, A. D., etc. ... ... ... ... ... ... ... ... ... 824
**Agarwal, R. C.** : *See* Jain, N. S., etc. ... ... ... ... ... ... ... ... ... 628
**Anderson, P. E.**: *See* Levy, J., etc. ... ... ... ... ... ... ... ... ... 223
**Ashton, N., and Blach, R.**: Studies on developing retinal vessels. VIII. Effect of oxygen on the retinal vessels of the ratling ... ... ... ... ... ... ... ... ... 321
——— **and Boberg-Ans, J.**: Pathology of an aphakic eye containing an anterior chamber implant ... ... ... ... ... ... ... ... ... ... ... ... 543
———, **Pears, M. A., and Pickering, G. W.**: Neuroretinopathy following haemorrhage with a discussion on the nature of cytoid bodies ... ... ... ... ... ... ... ... 385

**Balakrishnan, E.**: Bilateral intra-ocular *Cysticerci* ... ... ... ... ... ... ... 150
———: Mycotic keratitis caused by *Aspergillus fumigatus* ... ... ... ... ... 828
**Blach, R.**: *See* Ashton, N., etc. ... ... ... ... ... ... ... ... ... ... 321
**Blackburn, E. K.**: *See* Swan, H. T., etc. ... ... ... ... ... ... ... ... ... 415
**Blake, J. J.**: *See* Pitts Crick, R., etc. ... ... ... ... ... ... ... ... ... 764
**Boberg-Ans, J.**: Experience with 12 cases of intra-ocular anterior chamber implants for aphakia ... ... ... ... ... ... ... ... ... ... ... ... ... 37
———: *See* Ashton, N., etc. ... ... ... ... ... ... ... ... ... ... 543
**Boles Carenini, B.**: Juvenile familial mosaic degeneration of the cornea associated with megalocornea ... ... ... ... ... ... ... ... ... ... ... ... 64
**Bridgeman, G. J. O.**: Correspondence—Early operation for squint ... ... ... ... 318
**Bridges, C. D. B.**: Dark adaptation following exposure to high-luminance flashes ... ... 44
**Broadfoot, K. D., Gloster, J., and Greaves D. P.**: Photoelectric method of investigating the amount and oxygenation of blood in the fundus oculi ... ... ... ... ... 161
**Burn, R. A.**: End-to-side anastomosis for obstruction of the naso-lacrimal duct ... ... 117

**Cardell, B. S., and Starbuck, M. J.**: Juxtapapillary hamartoma of retina ... ... ... 672
**Carr, F.**: *See* Drance, S. M., etc. ... ... ... ... ... ... ... ... ... ... 695
**Catterall, R. D., and Perkins, E. S.**: Uveitis and urogenital disease in the male ... ... 109
**Cavka, V.**: A new clinical form of heterochromia of the iris with pigmentation of the sclera and pigmentary glaucoma ... ... ... ... ... ... ... ... ... ... 597
**Cherington, F. J.**: Metastatic adenocarcinoma of the optic nerve-head and adjacent retina... 227
**Cole, D. F.**: Electrochemical changes associated with the formation of the aqueous humour 202
———: Prevention of experimental ocular hypertension with polyphloretin phosphate ... 482
———: Electrical potential across the isolated ciliary body observed *in vitro* ... ... 641
**Cook, C.**: The history of the Moorfields Medical School ... ... ... ... ... 241
**Coop, M. E.**: Pseudotumour of the orbit. A clinical and pathological study of 47 cases... 513
**Cory, J. W. E.**: Familial corneal dystrophy ... ... ... ... ... ... ... ... 621
**Crews, S. J., and Davidson, S. I.**: Appraisal of intravenous urea therapy in glaucoma ... 769
**Cross, A. G.**: Two primary malignant neoplasms in one patient ... ... ... ... 630
———: Recurrent vitreous haemorrhage associated with thromboangiitis obliterans ... 762
**Curnow, D. H.**: *See* Linton, R. G., etc. ... ... ... ... ... ... ... ... ... 718

**Dallachy, R.**: Ectopic lacrimal gl.ndular tissue within the eyeball ... ... ... ... 808
**Damato, F. J.**: The fight agains trachoma in the Island of Malta ... ... ... ... 71
**Dark, A. J.**: Formed elements in the human lens capsule, with special reference to their alleged role in the aetiology of senile cataract ... ... ... ... ... ... 298
**Davidson, S. I.**: The eye in dystrophia myotonica with a report on electromyography of the extra-ocular muscles ... ... ... ... ... ... ... ... ... ... ... 183
———: *See* Crews, S. J., etc. ... ... ... ... ... ... ... ... ... ... 769

# SUBJECT INDEX

PAGE

**Abscess,** lacrimal, in newborn babies ... 562
**Achromycin,** experimental trachoma and 560
**Alpha-chymotrypsin,** cataract extraction and ... ... ... 197, 729
**Adams, Sir William** ... ... ... 243
**Adrenoxyl,** cataract surgery and ... 415
**Africa, East,** refraction of Indian schoolchildren in ... ... ... 604
**Albright's syndrome** ... ... ... 740
**Amblyopia,** eccentric fixation and ... 741
**Amodiaquin,** deposits in corneal epithelium and ... ... ... 285
**Anaesthesia** in cataract surgery ... 614
**Angiography,** orbital haemangioma and 232
**Anisometropia**
eccentric fixation and ... ... 741
in Indian schoolchildren ... ... 611
**Anterior chamber**
implant, acrylic, pathology of aphakic eye containing ... ... 543
——, intra-ocular, aphakia and ... 37
non-formation of, enzymatic zonulolysis and ... ... ... 734
**Aphakia**
change in corneal curvature and ... 59
uniocular, Boberg-Cogan lens and... 39
——, intra-ocular anterior chamber implants and ... ... 37, 543
——, semi-rigid fenestrated lens and 40
——, Strampelli lens and ... ... 37
**Appliances**
cataract knife... ... ... ... 79
cryoextractor ... ... ... ... 280
diathermy machine, ophthalmic, miniature ... ... ... 75
mirror for direct ophthalmoscopy... 152
needle used in dacryocystorhinostomy 140
**Aqueous humour**
formation, electrochemical changes and ... ... ... ... 202
——, transport processes in ... 641
**Argemone oil,** intra-ocular pressure and 81
**Artery**
carotid, occlusion of, pressure changes in ophthalmic artery and ... 1
ophthalmic, orbital aneurysm of ... 550
——, pressure changes in, carotid occlusion and... ... ... 1
**Arthritis,** rheumatoid, chloroquine and 287
***Aspergillus fumigatus,*** keratomycosis and ... ... ... 826, 828
**Astigmatism**
mixed, in Indian schoolchildren ... 611
orbital haemangioma and ... ... 232

PAGE

**Aureomycin,** experimental trachoma and ... ... ... ... 560
**Aymara Indians,** cyclovertical strabismus in ... ... ... ... 579

**Battley, Richard** ... ... ... ... 253
**Beetles** of genus *Paederus* as cause of "spider lick" ... ... ... 395
**Biomicroscopy,**
acoustic, choroidal melanoma and... 218
chorioretinitis and ... ... ... 458
fundus investigation by ... ... 449
intra-ocular tumours and ... ... 456
papillary changes and ... ... 459
retinal detachment and ... ... 450
vitreous investigation and ... ... 449
**Beta-irradiation,** corneal vascularization and keratitis and ... ... 358
**Blepharitis,** Meibomian gland secretion and ... ... ... ... 722
**Blindness**
chloramphenicol and... ... ... 555
Dapsone and ... ... ... ... 558
homolateral, carotid occlusion and... 1
streptomycin and ... ... ... 555
**Blood,**
amount of, in fundus oculi ... ... 161
cysts, orbital apex syndrome and ... 667
oxygenation of, in fundus oculi ... 161
**Blood–aqueous barrier,**
aqueous humour formation and ... 641
electrical potential across, difference of ... ... ... ... 202
**Bolivia,** cyclovertical strabismus in ... 579

**Book reviews**
